From airport, follow signs to "France". (Check vehicle has Swiss motorway vignette (square sticker on windscreen with year). If not, be advised that the few miles leaving airport via Swiss motorways may cost you around 25 E, unless you head into central Geneva and back out into France)

After border control, follow "Italy, Turin, Milano, Chamonix Mont Blanc, France". This puts you on the "Autoroute Blanche", the A40. Keep following signs for "Chamonix". Exit junction 21 when you see signs for "St Gervais -Les-Bains and Les Contamines Montjoie". TEXT US at this point (no +33 6 01 75 76 38)

Right on exit slip road. Straight over small roundabout (unless you want to shop at the supermarket **Intermarche** which is on your right.)

Roundabout, take exit left. **Quechua** sports shop is then on your left hand side. Crystal roundabout, go straight over. Pass through "St Gervais Le Fayet". You will see "Mt Blanc tramway terminus" on left and "Parc Thermal" on the right. Roundabout turn right following signs for "St Gervais".

Pass through "L'Abbaye" and "Les Plagnes". It is about 2 miles from "St Gervais Le Fayet" to "St Gervais".

An old fashion merry-go-round is at the start of the town on left. IMMEDIATELY on right after the merry-go round is a black modern building (Espace Mt Blanc) and a taxi zone – pull in here for your in-town key pick-up.

Alternatively, if you are being met at your property, continue through the town passing the church on your right, the Casino supermarket on your left.

Roundabout take the road indicated "les Contamines" (the other road is signposted Albertville, Megève). Take the first left just by Unlimited sports shop and auto ecole.

Follow the road up and shortly after the first hairpin you will see an Alpenrose sign on your right, indicating the entrance to the complex. Drive in and down to your left to the 1st level car park. There is a bay marked J13 so please park here. Please note, the road to the car parks is one way, so to leave, you will need to drive down (not back up).

The main entrance to the Alpenrose is on the side of the building nearest the car parks. The ski locker facilities are on the right hand side of the main entrance. For the apartment, enter the building and go along the corridor past the letterboxes to the stairs. Go down one level and J13 is the second door on your right. If the electricity is not on, the main electricity console is a painted panel on the wall on your left hand side as you enter the apartment. Flick the main switch/lever to 1.
