From airport, follow signs to "France". (Check vehicle has Swiss motorway vignette (square sticker on windscreen with year). If not, be advised that the few miles leaving airport via Swiss motorways may cost you around 25 E, unless you head into central Geneva and back out into France)

After border control, follow "Italy, Turin, Milano, Chamonix Mont Blanc, France". This puts you on the "Autoroute Blanche", the A40. Keep following signs for "Chamonix". Exit junction 21 when you see signs for "St Gervais -Les-Bains and Les Contamines Montjoie". TEXT US at this point (no +33 6 01 75 76 38)

Right on exit slip road. Straight over small roundabout (unless you want to shop at the supermarket **Intermarche** which is on your right.)

Roundabout, take exit left. **Quechua** sports shop is then on your left hand side. Crystal roundabout, go straight over. Pass through "St Gervais Le Fayet". You will see "Mt Blanc tramway terminus" on left and "Parc Thermal" on the right. Roundabout turn right following signs for "St Gervais".

Pass through "L'Abbaye" and "Les Plagnes". It is about 2 miles from "St Gervais Le Fayet" to "St Gervais".

An old fashion merry-go-round is at the start of the town on left. IMMEDIATELY on right after the merry-go round is a black modern building (Espace Mt Blanc) and a taxi zone – pull in here for your in-town key pick-up.

Alternatively, if you are being met at your property, continue through the town passing the church on your right, the Casino supermarket on your left.

Roundabout take the road indicated "les Contamines" (the other road is signposted Albertville, Megève).

Take the first left just by Unlimited sports shop and auto ecole. Follow the road up and on the first hairpin turning you will see Les Loges on your left hand side. You can park in front of the first garage on the right hand side of the entrance nearest to you.

Use the entrance nearest to you (under the sign Les Loges). Use the key if the door is locked. Go up to the 1st floor to the last apartment, which has the name "Famille HEVICON" on the entrance
